Docket No. 294091

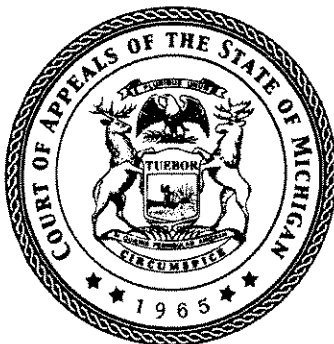

LC No. 08-005597-FC; 08-005645-FH

Alton T. Davis
Presiding Judge

William C. Whitbeck
Judges

The Court orders that the motion to remand is DENIED for failure to persuade the Court of the necessity of a remand at this time. We note that this order is without prejudice to the case call panel considering whether the trial court erred in any of the determinations that it made at the May 4, 2010 motion hearing or remanding this case for any further proceedings that it may consider appropriate.
